

Bureau of Land Management Fire Resources

State: NM-Taos F.O.

Fiscal Year: 2008

Resources	Quantity of Resources	Number of Funded Personnel	Preparedness Labor Months (12 months / FTE)	Fuels Labor Months (12 months / FTE)	Total Labor Months (12 months / FTE)
Number of Engines:	1	4	28.5	16	44.5
Number of Water tenders:					0
Number of Dozers:					0
Number of Tractors / plows:					0
Number of Fire Boats:					0
Number of Type 1 Crews:					0
Number of Helitack crews (Manager and Crew members):					0
Number of Fuels Crews:	1	10		72	72
Number of Type 2 Crews: (Quantity is # Crews and Personnel are leads or full-time members funded from Preparedness)					0
Number of Smokejumpers (AK & NIFC only):					0
Number of Fire Management Officers:		1	12		12
Number of Assistant FMOs / FCOs:					0
Number of Fire Operations Specialists (FOS):					0
Number of Dispatchers (Ctr. Mgr., Coordinators, IADP, etc.):		2.5	15	7	22
Number of Aviation Staff (Aviation Mgr., Seat Mgr, Pilot, ATGS, etc.):					0
Number of Mitigation/Education/Prevention Spec./Tech.:					0
Number of Resource Specialist ('Ologist):		5		30	30
Number of Fuels Specialist/Technicians:		3		30	30
Number of Other Fire Staff:		1	4	8	12
Total Personnel and Months Worked =		26.5	59.5	163	222.5

Staffing Type¹

Type of Employee	Preparedness	Fuels	Total
Number of Permanent Full-Time (PFT):	1	1	2
Number of Career Seasonals (CSST, CSLT, & SCEP):	4	4.5	8.5
Number of Temporaries (TEMP and STEP):	1	15	16
Total Personnel ² =	6	20.5	26.5

1 - Note Staffing counts should be represented by the proportion of funding they spend in Preparedness versus Fuels. Example: A Career Seasonal Engine module leader who work 9 months total and is funded 7 months from preparedness and 2 months from fuels would show as 0.8 in Preparedness and .2 in Fuels for a total of 1 career seasonal position.

2 - The total staff count highlighted in blue in the bottom table should match the total number of funded personnel highlighted in blue in the table above.
